

# Transit Needs of Seniors (65+) & Individuals with Disabilities Questionnaire & Open Houses

The Evansville MPO is seeking input from seniors (65+) and individuals with disabilities regarding issues and difficulties in riding fixed route or mobility buses. A questionnaire and three open houses are available to provide your input.

Your input will help update the regional *Coordinated Public Transit-Human Services Transportation Plan*, a requirement of the Federal Transit Administration (FTA) for our region to continue to receive funding to assist transit agencies and area non-profit organizations that serve seniors and individuals with disabilities.
