3. NEW BUSINESS

A. Title VI Plan/Limited English Proficiency Language Assistance Plan 2017 Revision – presented by Matt Schriefer

The MPO Title VI Plan and Limited English Proficiency Language Assistance Plan have been revised. The revisions reflect recommendations from FHWA discussed during the MPO’s Certification Review held in February. The suggested

changes include better clarification in some sections, additional information where needed and copies of complaint procedures and forms in an appendix.

Changes include:

- The “Notification to the Public of Rights under Title VI” now includes contact information for FHWA and FTA if a complainant wants to send complaints directly to either agency.
- The “Evansville MPO Title VI Complaint Procedures” now states that complaints can be sent directly to FHWA or FTA.
- The Complaint Procedures were also revised to clarify how the complainant will be notified after the MPO determines the necessary steps to mitigate or prevent the discrimination from occurring in the future.
- A new section was added to the LEP Plan to clarify how questions, comments or requests can be submitted to the MPO.
- Appendix A was added to include copies of the Public Notice, Complaint Procedures and Complaint Form. These items are also posted on the “Non-Discrimination” page of the MPO website (<http://www.evansvillempo.com/TitleVI.html>).
- Appendix B was added to include a list of Policy and Technical Committee Members and the organizations represented.

A PDF of the revised Plan can be found on the MPO website: <http://www.evansvillempo.com/TitleVI.html>.

The MPO plans to complete a full update of the Title VI/LEP Plan later this year. The update will include new demographic data and maps showing planned projects and their potential impact on disadvantaged populations.

This item was informational and did not require a committee action.

B. FY 2016-2019 TIP Amendments – presented by Craig Luebke

The MPO is seeking approval of the following amendments to the 2016-2019 Transportation Improvement Program (TIP). A public review and comments period was publicized from February 16th to March 1st. Local fiscal constraint for the proposed amendments has been confirmed.

The Metropolitan Evansville Transit System (METS) requested the following amendment:

Des# 1700384: Transit Bus Purchase: Add project to purchase one transit bus. The total fiscal year 2017 cost of \$433,000 is programmed with federal Section 5339 Bus and Bus Facilities funds (\$76,000), federal CMAQ funds (\$270,000), and a 20% agency match (\$87,000).

The City of Evansville requested the following amendment:

Des# 1601824: Various Locations: City of Evansville Sign Inventory/Replacement Program, Phase 3: Add project for preliminary engineering (PE) and construction (CN). Fiscal year 2018 PE costs of \$76,000 are programmed with \$50,000 in federal Highway Safety Improvement Program (HSIP) funds and a \$26,000 local match. Fiscal year 2019 CN costs of \$829,000 are programmed with \$761,000 in federal HSIP funds and a \$68,000 local match.

Angie Higgins made a motion for approval and Bill Harty seconded the motion; motion carried.

C. FY 2018-2021 TIP Draft Project List – presented by Craig Luebke

MPO staff have been working with state and local planning partners to develop the next TIP which will cover fiscal years 2018-2021. For your review and comment today, we have a draft listing of the roadway projects for this document. We continue to develop the transit program of projects and the full Draft TIP based on the proposed project list will be

presented in April, and a 30 day public comment period (including open houses in Evansville and Henderson) will be held. Based on all feedback, the TIP presentation for final adoption will occur in May. Please do review the draft listing. If you have any comments/corrections, getting those to us within the next two weeks will allow us to incorporate them into the draft document for next month.

4. OTHER BUSINESS

Pam Drach announced that INDOT is working on an update to the Statewide Transportation Improvement Program. A public meeting will be held on March 29, 2017 from 4:00 PM to 7:00 PM (EST) at the Vincennes District INDOT Office. INDOT will be available to answer any questions. (See attached flyer for more details.)

5. PUBLIC COMMENTS

Bill Harty commented that Harriet Street was vacated south of Columbia Street near Deaconess Hospital; however, the light on Columbia Street still functions. He was interested in knowing why this light is still operating, and how much operation costs.

Bill Harty also commented on the Lloyd Expressway traffic from Wabash Avenue to St. Joseph Avenue. He says signs are needed to direct trucks to keep right to help control traffic congestion, stating that often trucks will drive three-wide on this portion of roadway.

Meeting adjourned.

INDOT Seeks Input on Selection of Future Highway Projects ***Reminder: INDOT staff hosting regional open houses starting this week***

The Indiana Department of Transportation is inviting its customers and the public to provide input on the selection of future state-highway construction projects.

To use federal funds, a transportation project must be listed in a four-year budget document known as the Statewide Transportation Improvement Program. In urban areas, Metropolitan Planning Organizations produce and collect public input on their own Transportation Improvement Programs.

Provide input

INDOT's draft Statewide Transportation Improvement Program is available for public review at www.in.gov/indot/3132.htm. The document lists construction projects planned from July 2017 through June 2021 and the funds available for transportation projects and programs including highways, transit, bicycles and pedestrians.

The public may submit comments through:

The web comment form at www.in.gov/indot/3132.htm,

Email addressed to draftstip@indot.in.gov,

Postal mail addressed to Michael McNeil, INDOT STIP Director, 100 N. Senate Ave., IGCN 955, Indianapolis, IN 46204, or

Paper comment forms at one of six regional open houses.

INDOT respectfully requests that all comments be submitted or postmarked by Monday, May 1. INDOT will then collate and respond to comments and questions on the record as an appendix to the final document.

Regional open houses

Open houses hosted by INDOT's regional district staff offer an informal setting for the public to ask questions and discuss a variety of transportation programs including planning, multimodal, public involvement, Title VI and the Americans with Disabilities Act.

The open houses will be held from 4 p.m. to 7 p.m. Eastern time at the dates and locations listed below.

Tuesday, March 28, 2017: INDOT Seymour District, 185 Agrico Lane, Seymour, IN 47274

Wednesday, March 29, 2017: INDOT Sub-District Office, 3650 S. U.S. 41, Vincennes, IN 47591

Thursday, March 30, 2017: Crawfordsville Public Library, 205 S. Washington St., Crawfordsville, IN 47933

Tuesday, April 11, 2017: INDOT District Office, 315 E. Boyd Blvd., LaPorte, IN 46350

Wednesday, April 12, 2017: INDOT District Office, 5333 Hatfield Rd., Fort Wayne, IN 46808

Thursday, April 13, 2017: INDOT Traffic Management Center, 8620 E. 21st St., Indianapolis, IN 46219

Please note that INDOT's LaPorte District office is located in the Central time zone, where local time for the open house is 3 p.m. to 6 p.m.

Special accommodations

With advance notice, special accommodations will be made for individuals needing auxiliary aids or services of interpreters, signers, readers, or large print. Anyone with such needs should contact Rickie Clark with INDOT's Office of Public Involvement at 317-232-6601 or rclark@indot.in.gov.
